Material Declaration

Dear Madam, Dear Sir,

By virtue of the last updated information transmitted from our supplier,

We confirm honestly, that the following listed products supplied by SIB are compliant with the following regulation:

List of products:

C5216001	C5232001	C5263001
C5220001	C5240001	
C5225001	C5250001	

EU 1907/2006 (REACH), To the best of our knowledge and based on the information currently available to us, we count the following candidate substances identified as SVHC and potentially present for concentrations higher than to 0.1% in components of company's articles:

CAS number	Name	Concentration (w/w%)	Annex XIV Authorisation List	Component/ material
7439-92-1	Plomb	≤ 3,5%	Not included	Brass parts
96-45-7	ETU	< 0,5%	Not included	Rubber gaskets (CR)

In accordance with our disclosure obligations, we inform you of the presence of substances from the candidate list classified as SVHC greater than 0.1% by weight. The candidate list can be consulted on the website: <https://echa.europa.eu/candidate-list-table>.

In summary, our company is perfectly in line with the REACH regulation to both on the declaration of candidate substances from the SVHC list, and the follow-up of the list of substances subject to authorization (Annex XIV).

If applicable, it is the responsibility of our customers to check all applicable restrictions for these substances in Annex XVII of the REACH Regulation. The objective is to ensure that final use of products is not among the uses subject to restriction. The list of restricted substances can be found on ECHA website: <https://echa.europa.eu/substances-restricted-under-reach>
This certificate is not a declaration relating to Annex XVII of the regulations.

We remain available for further information,

Pierre-Georges MELET
R&D Manager
