

REACH – Substances of Very High Concern (SVHC)
Certificate of Compliance

To our valued customer:

DATED: 15/10/2025

Norma Group is dedicated to serving you by providing high quality engineered access hardware solutions, while protecting the environment and meeting applicable regulatory requirements including REACH.

In accordance with REACH Article 33 Article 33(1) of the REACH Regulation states that Manufacturers and importers of articles (products) are required to notify their customers of the presence of any Substances of Very High Concern (SVHC) in their products exceeding 0.1% by weight and provide instructions on safe use of the product.

This certification is based on substances included on the European Chemicals Agency (ECHA) Candidate List of Substances as of June 25, 2025, i.e. 250 substances.

For more information you can check the link:- <https://echa.europa.eu/candidate-list-table>

The compliance status of the product is confirmed by the sections below:

- ✓ The product(s) referenced below DO NOT CONTAIN any of the listed substances from REACH SVHC.

The products(s) referenced below have been evaluated for the presence of any substances from the REACH SVHC list. The product(s) MAY CONTAIN the following substances, as provided in the table on the following page. (The table must be completed if this option is selected.)

Part Number List:

Norma Part Number	Substance >0.1% (w/w)	CAS NO	SVHC Present in the part Y/N
9417715025	None	None	No
9417715016	None	None	No
9417715032	None	None	No
9417715020	None	None	No
9417715040	None	None	No

Note :-

- ❖ The above declaration is solely based on supplier declaration , drawings and Third-party verification has not been attempted. Also supplier due diligence for compliance is an ongoing change. Hence any changes in our due diligence efforts, we shall submit the new declaration.
